ABSTRACT.

Public Services - Subordinate Services - Madras Revenue Subordinate Services - Service as Special Revenue Inspector and Firka Supply Officer to Firka Revenue Inspector - Orders Issued.

REVENUE DEPARTMENT.

G.O.Ms.No.468. Dated the 22nd February 1950.
Read the following:-

From the Board of Revenue Ref.D.7883/49-1 (C) dated 5-11-49.

ORDER:-

The Board of Revenue has suggested that it is not necessary to insist on the service as Revenue Inspector for inclusion in the list of Deputy Thasildars and that candidates in the approved list may be asked to acquire the qualification before regular appointment as Deputy Thasildars and (2) that service as Firka Supply Officers should be allowed to count towards service as Firka Revenue Inspectors subject to a maximum of six months and that service as special Revenue Inspector under Wells Subsidy Scheme in Zamandari Areas should be allowed to count towards service as Firka Revenue Inspector subject to a maximum of one year.

2. The Government have examined the proposals. They are unable to accept the Board's suggestion (i) above as the record of the work as Revenue Inspector is important to judge the suitability of a candidate for appointment as a Deputy Thasildar. As regards the second suggestion referred to above, it is considered that the proposal might result in one who has served as Firka Revenue Inspector for only six months getting into the list of Deputy Thasildars as he could count service as Firka Supply Officer for six months and Special Revenue Inspector for one year. It is desirable that candidates for selection to the post of a Deputy Thasildar should have served as Firka Revenue Inspector for at least one year. The Government therefore direct that service as Special Revenue Inspector should count for service as Firka Revenue Inspector subject to a maximum of six months only. They also direct that service as Firka Supply Office should also count for service as Firka Revenue Inspector subject to a maximum of six months only.

3. The Board of Revenue is requested to submit draft amendments to the Special Rules for the Madras Revenue Subordinate Service at an early date.

(By Order of His Excellency the Governor)

Public Service - M.R.S.S. - Service as Spl.Rev.Inspector for Wells Subsidy Scheme and F.S.O to count towards qualifying service as Rev. Inspector for inclusion in the list of Dy. Tahrs.

From the Board of Rev.Ref.D.7892/49-1 d/5-11-1949.

Please see the Board's Ref. in the c.f.

2. Under rule 7 of the Spl.Rules for the Madras Rev. Sub Service, no person shall be eligible for inclusion in the approved list of Dy. Tahrs. unless he has rendered satisfactory service for a period of two years on duty as Revenue Inspector in charge of a firka. The Board reports that the Collr. of Cuddapah has brought oto its notice that some experienced and survey trained clerks have been posted as Spl.R.Is. in charge of Well Subsidy Scheme and as F.S.O.s, and that consequently they could not complete the prescribed period of two years as R.I. in charge of a firka so as to be eligible for inclusion in the list of Dy.Tahrs. The Collr. has accordingly recommended that such service should be counted towards service as R.I in charge of a firka subject to a maximum of one year. The Board examined the suggestion and its considers that, in view of the demand for candidates trained in survey for several special posts in the cadre of Rev. Inspectors it is not necessary to insist upon service for the required period as R.I. for inclusion in the list of Dy.Tahrs. and that candidates in the approved list may be asked to acquire the qualification before rugular appointment as Dy.Tahr. It has recommended that service as Firka Supply Officers should be allowed to count towards service as Firka Rev. Inspr. subject to a maximum of six months and that service as Spl.Rev. Inspector (under Wells Subsidy Scheme or Zamindari areas) should be allowed to count towards service as Firka R.I.subject to a maximum of one year. The Board has also submitted draft amendments

to the rules for approval of the Govt.

3. The Board's recommendation at X on page 1 ante may be agreed to in view of the demand for survey trained hands. But its suggestion at "Z" on page 1 ante (to permit the candidates in the approved list of Dy Tahrs. to acquire the necessary qualifications before regular appointment as Deputy Tahsildar) does not appear practicable as a question will arise as to how the probation of these candidates will have to be settled. Such candidates by virtue of their regular inclusion in the approved list of Dy.Tahrs, will claim protention under rule 8 of the G.C. Rules in the initial stage while qualifying themselves in the service as R.I. and it may even lead to postponement of regular appointments in the case of others. In order to obviate such difficulties, it is submitted that that the Board may be asked to include the names of candidates who are only fully qualified to hold the post of Dy.Tahrs.

4. The remakks of Public (Ser.) may be obtained before circulation to H.M.(L:R.) and H.Pr.

There are two proposals -

1.That it is not necessary to insist on service as R.I. for inclusion in the list of Dy.Tahsrs. and that candidates in the approved list may be asked to acquire the qualifications before regular appointment as Deputy Tahsildar, and

2. that service as Firka Supply Officers should be allowed to count towards service as Firka R.Is. subject to a maximum of 6 months and that service as Spl. R.I. under Wells Subsidy Scheme or Zamindari areas should be allowed to count towards service as Firka Rev.Inspr. subject to a maximum of one year.

The Board's proposal in item (1) does not seem suitable and need not be accepted. The record of the work as R.I. is important to judge the suitability of one for appointment as Dy.Tahr. Regarding item (ii) it is submitted that the Board's proposal might result in one who has served as Firka R.I. for only 6 months getting into the list as he could count service as F.S.O. for 6 months and as Spl.R.I. for one year. It seems desirable that candidates for selection to the post of Dt,Tahr. should have served as Firka R.I. for at least one year. If this view is accepted the service as Spl.R.I. may be limited to 6 months, and Service as F.S.O.limited for 6 months as proposed.
